Founder and CEO of BoardroomDominatrix.com Launches Bold New Book: *Kink Is*, Kicking Off 2024 Book Tour

San Francisco, CA – September 19th – Beatrice Stonebanks, Founder and CEO of [BoardroomDominatrix.com](https://www.boardroomdominatrix.com), has officially launched a provocative new book, *Kink Is: An Anthology of Surprisingly Relatable True Stories About Sex, Power, and Joy* (Unbound Edition Press, 2024), which explores the complexities of human sexuality, gender dynamics, and the power of consent. Co-authored by a diverse team of contributors, and featuring a foreword by Margaret Cho, *Kink Is* is an unapologetic deep dive into the world of kink and sexuality. With its bold storytelling and insightful perspectives, the book aims to illuminate and challenge societal perceptions of human sexual expression.

The Kink Is Book Tour

In support of the book's launch, Stonebanks is embarking on a San Francisco book tour, with events spanning the bay area. The tour, a mixture of signings, author readings, and intimate talks, will provide readers the opportunity to engage directly with Stonebanks and key contributors to the book. Each event will spotlight the book's themes of empowerment, authenticity, and the dismantling of shame.

About the Book: *Kink Is*

Kink Is is more than a book; it's a movement. Through a blend of personal narratives, essays, and thought-provoking dialogue, it shines light into the hidden corners of kink, consent, and the diversity of sexual expression. The book has garnered early praise for its raw honesty and commitment to pushing boundaries. Stonebanks, alongside an accomplished editorial team, delivers a powerful collection that amplifies voices from the kink community, making this a must-read for anyone interested in sex positivity and inclusivity.
